Art in the Park KEARNEY July 10th & 11th, 2021 50th Annual Invitational–Juried Exhibit

The Kearney Artists Guild, Kearney Park and Recreation Department and the Kearney Visitors Bureau are presenting the 50th Annual Art In The Park exhibit, July 10th, 12:00 pm-6:00 pm & 11th, 9:00 am-4:00 pm at the beautiful and historic Harmon Park, 3020 5th Avenue in Kearney Nebraska.

The exhibit is a juried invitational limited to **70 artists**. Artists accepted to previous shows are not required to complete the jury process but are only allowed to exhibit mediums/styles that were submitted during the original jury process. All artists new to Kearney's Art In The Park are required to submit examples of their work for the jury's approval. The jury will begin viewing applications in February. Artists will be notified of the jury's decision on a bi-weekly basis until the deadline. All work exhibited must be original, handcrafted and created by the approved artist. No kits, imports, mass-produced or commercially manufactured items or work created by another artist will be allowed. Mechanical reproductions (prints of any type) will be accepted if it does not constitute more than 20% of the artist's work for sale and it is clearly identified to the patrons as a reproduction. The registration deadline is June 1st, 2021. **Late registration will be accepted dependent on space availability; like mediums and styles already accepted; and availability of jurors.**

Your exhibit location will be chosen for you to assure even flow of traffic, variety in mediums and hopefully increase sales. Artists should plan to provide all items needed for weather and displaying art works, such as display panels, easels, tables, pedestals and shelter. Electricity is not available for individual booths. Although work may be displayed on the ground within the allocated space, artists are encouraged to use other display means to avoid possible damage to works and create a more professional appearance. Artists that have work outside of the allotted area may be asked to remove it to keep traffic areas clear. Artists are encouraged to post name, city and state at their booth in a visible location. Shared booths are not allowed unless each artist has been juried in and submitted an application along with their individual booth fees.

Art in the Park Staff will be onsite both Saturday and Sunday morning for check in and set up. Kearney Artist Guild has approval to start set up at 8AM Saturday morning. Artists showing only on Sunday, may only begin set up after the show closes at 6PM on Saturday and/or Sunday morning beginning at 6AM. **NO SET UP ALLOWED** during show hours. Saturday evening, individuals must exit the park by the 11pm city curfew time. Artists are encouraged to have exhibits set up one-half hour prior to the start time, as patrons often begin to visit the grounds prior to the opening times. Vehicles are not allowed to drive into the park grounds. Unloading/loading zones are designated along 5th Ave. (East side of park); 29th Street (South side of park); and the south portion of the parking area on the west side of the park. Limited volunteer assistance will be available for those needing help unloading Saturday and Sunday morning. Ask for available volunteer help at the registration booth. Artists are encouraged to move vehicles from the unloading zones to adjacent side streets to make parking available for patrons during the exhibit hours. To avoid damage to the park's underground sprinkler system, we ask that an exhibit official be consulted prior to any stakes being driven into the ground. You are responsible for any damage that occurs from stakes driven into the ground. The exhibiting artist is required to be in attendance at all times.

Overnight security will also be provided from Saturday to Sunday. No exhibits may be removed until the close of the exhibit. Each artist is responsible for his/her sales and commissions. The artist will charge the current 7% sales tax and all sales must be reported at the end of the day.

Refreshments are provided for the artists and assistants' in the air-conditioned hospitality room, located in the Harmon Activity Center. In addition, a variety of food vendors and live music will be on the premises during the event. The Kearney Artists Guild will supervise the exhibit and document images for future publications/promotional uses. This year's exhibit will again host a silent auction. Proceeds from the auction will provide funds to the McKenna's Rae of Hope Foundation, who's mission is to prevent suicide by fostering awareness, resilience and social change. A portion is also given to the Library at the Museum of Nebraska Art. Donations of artwork are greatly appreciated. Art demonstrations by artists working are always welcome.
